

## Review Questions 10 Trees

Read Doerr and Levasseur, Applied Discrete Structures, Ch 10.1, 10.2, 10.3, 10.4 then do the following review questions.

10.1 – Problems 1 (for part c, just describe how to find the number of possible trees), 2, 3

10.2 – Problems 2, 3, 4

10.3 – Complete section 10.2 problems using SageMath

10.4 – Problems 1, 3
